

DECORATIVE WALL PANELS
Un-Finished & Pre-Finished

Manufactured using domestic and imported face veneers on veneer core and MDF. Measures 48" x 96".

Note: Real wood panels vary in shade, color, knots and graining. Before installing, place panels around the room to determine the most pleasing layout. Panels constructed of natural veneers, each with a unique grain pattern and knot structure. Samples may not adequately represent the number of knots, color range or grain structure in full-sized panels.
