GLUE BOTTLE - GLUBOT™

The Glubot™ is designed with a 2-chamber system that pushes glue from the bottom up through the secondary side chamber which ensures fresh glue every time. When you stop squeezing, the Glubot™ sucks the glue back inside and leaves a clean, clog free tip. Can be used with wood glue, paint thinner, lacquer thinner, alcohol and water. Comes with straight glue line guide, blade and yorker style tips. Sold individually.
